The Atwater Village Neighborhood Council requests that the following Community Impact Statement supporting Live Nation be added to Council File 14-1500 regarding the Greek Theater management operations.

COMMUNITY IMPACT STATEMENT

The Atwater Village Neighborhood Council supports Live Nation as the management operators for the Greek Theater in Griffith Park. As the new operators of the Greek Theater they can provide much needed modern improvements while hosting various events. The Greek Theater is in a state of distress and is not as inviting a venue as other locations. Major renovation to this historic theater will be contracted with Live Nation ensuring that the Greek Theater will not lose its competitiveness. As the primary choice by the Board of Recreation and Parks it is our sincere belief that they will add to the benefit of this venue for years to come.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Governors meeting on December 11, 2014; the Atwater Village Neighborhood Council has adopted the following motion by a vote of - yes, - no, - abstentions, and has directed that this Community Impact Statement be filed with the City Clerk's office reflecting its position.

Motion by Sergio Lambarri: "I move that the AVNC support a Community Impact Statement supporting Live Nation as the Greek Theater management operators.
