The Atwater Village Neighborhood Council requests that the following Community Impact Statement supporting Nederlander/AEG be added to Council File 14-1500 regarding the Greek Theater management operations.

COMMUNITY IMPACT STATEMENT

The Atwater Village Neighborhood Council supports Nederlander/AEG as the management operators for the Greek Theater in Griffith Park. As the previous operators of the Greek Theater they have proven themselves as being capable of hosting various events and as being responsible neighbors. Prior to their involvement, the Greek Theater was in a state of distress and an uninviting venue. Major renovation to this historic theater were developed and executed under the management of the Nederlander group, now with AEG their partner we believe the artistry of this magnificent location can be fully realized.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Governors meeting on December 11, 2014; the Atwater Village Neighborhood Council has adopted the following motion by a vote of - yes, - no, - abstentions, and has directed that this Community Impact Statement be filed with the City Clerk's office reflecting its position.

Motion by Sergio Lambarri: "I move that the AVNC support a Community Impact Statement supporting Nederlander/AEG as the Greek Theater management operators.
